UNIVERSITY
SCHOOL OF BUSINESS
ADMINISTRATION

Executive Mentor Program

~PROGRAM PURPOSE~

Freshman students admitted to the School of Business Administration for the Winter and Fall 2009 terms have an opportunity to participate in a truly unique program.

The **Executive Mentor Program** introduces students to business and company executives. The program provides a convenient avenue where students can ask questions about their field of interest, observe the executive in professional interactions, and consult with the executive on securing internships and full time employment opportunities.

The program is designed to work with the busy schedules of the executive and student. The time commitment for the executive and the student is flexible. The available time of the mentor and the time and needs of the student will determine the amount of interaction. Executives and students have the option of contacting each other through email, telephone, and through personal meetings.

~APPLICATION PROCESS~

An application process is required to become an Executive Mentor.

Applications are available in Room 200 of the Prentis Building on Main Campus or may be completed online at **www.business.wayne.edu**. Simply click on "*Executive Mentor Program*" on the left side of the web page.
